PRODUCT MANAGEMENT, GROWTH HACKING, UX RESEARCH & DESIGN

Team Management, Project Management, SEO, Social Media Marketing, Photography

EXPERIENCE

CBS INTERACTIVE

Associate Product Manager - B2B Brands (ZDNet.com, Techrepublic.com, Techproresearch.com) Jan. 2014 - Present

- Product lead for ZDNet.com redesign, biggest B2B brand with 23 million monthly uniques. Used Omniture, Clicktale, A/B testing, Usertesting.com to inform data-driven UX decisions, getting project strategy buy-in from key executives.
- Led SEO and search tracks for ZDNet re-platform. Defined requirements for site search results relevancy—site search usage increased 40% in month after launch. Minimized impact on site SEO by developing a strategy to handle error URLs and redirects. Also oversaw migration of core users to the new CMS platform.
- Managed API updates, QA testing and release of ZDNet mobile app w/ mobile apps developer in the UK.
- Implemented A/B test strategy for B2B group, establishing standards for testing strategy and core experiment KPIs. Conducted over 15 different A/B tests with Optimizely. Reduced bounce rate on Techrepublic.com by 7%.

Product Management Intern - Download.com (+80 million monthly unique visits) June 2013- Aug. 2013

- Independently managed project roadmap, product definition, and engineering specs for 4 projects simultaneously.
- Designed and implemented A/B test for new front door ad units. Utilized test data to create revenue forecast.
- Initiated scable documentation project for over 20+ different Download.com site page types.

THE DAILY CALIFORNIAN - www.dailycal.org (200K - 300K monthly unique visits)

Sept. 2010 - May 2013

Online Managing Editor (May 2012-May 2013)

- Achieved 21% increase in pageviews and 43% increase in unique visitors through use of effective social media tools (Twitter, Facebook, Tumblr) and Google analytics.
- Led 10 web developers and web designers to design, develop and launch new, innovative editorial web projects.
- Increased scalability by transitioning site to new Content Delivery Network, improved site load time by 30%.

Multimedia Editor (May 2011-Dec. 2011)

- Directed and produced video for our national award-winning multimedia project: dreamstate.dailycal.org
- Developed and implemented recruitment plan to expand the multimedia team of 4 producers to a team of 18

BERKELEY CENTER FOR NEW MEDIA

Jan. 2012- May 2013

Communications Coordinator

- Maintained www.bcnm.berkeley.edu for the center, including publication of news posts, event announcements and research.
 - Organized and managed PR campaign and schedule for communications publications and speaker/lecture series
 - Generated 20% increased user engagement using social media networks (Facebook, Twitter, Quora) for center news & events.
-
